¹ The activities and offers supported for each type of benefit in the Health Account are listed overleaf.

² Offer for insured persons with Balance or Premium myFlex Hospitalisation Insurance in combination with myFlex Outpatient Insurance.

Conditions

Insured persons who have taken out myFlex Outpatient Insurance and myFlex Hospitalisation Insurance profit from the Health Account. The scope of benefits offered by the Health Account (Economy, Balance, Premium) depends on the level of myFlex Hospitalisation Insurance selected (Economy, Balance, Premium).

The Balance level of the Health Account applies to insured persons who have CSS Standard Insurance, CSS Standard plus Insurance, and Semi-private Hospitalisation Insurance or Private Hospitalisation Insurance (however, excluding CSS Check-up). The benefits and the maximum amount per calendar year may only be drawn once, even if a number of products have been taken out that give entitlement to the Health Account.
