Get expert advice when facing a legal case.

Even peace-loving and law-abiding citizens may suddenly find themselves in situations where they need legal help. These can involve an abusive dismissal, a dispute with a quarrelsome neighbour, an incident during medical treatment, a defective device, not to mention all the new risks that come with using the internet.

Who is in the right? What needs to be done? Is it even worth it to take legal action, and if so, how? Legal expenses insurance from CSS provides an effective form of cover against lawyer and courts fees arising from all these situations.

We will defend your rights and save you a lot of money, time and hassle – effectively and quickly.
